

**LaSalle County:** Effective Monday, May 2, the HAF / TDHCA program will allow homeowners that apply and qualify on or after May 2, they will be eligible to receive funds from the program for tax years **2016** and subsequent. The prior limitation had been 2019 and subsequent. The program will still have a \$25K cap, the homeowner will still be required to resolve any pre-2016 taxes themselves in order to be eligible and the program will still cover associated, documented court costs if any.
